

## How to reach the CENTOGENE Test Center

### ARRIVING BY PLANE

After leaving the security checkpoint, take the escalators up between Terminal A and B, and cross the footbridge in the direction of the long-distance train station. Once you have arrived in the other building, you will find the Test Center on the right-hand side as you head towards the long-distance train station, which is located in the Squire.

### ARRIVING BY THE LONG-DISTANCE TRAIN

Take the escalators up, and follow the signs to the terminal. Go approx. 70m to reach the Test Center, located on the left-hand side of the conveyors

### ARRIVING BY REGIONAL TRAIN OR CAR

Follow the signs in the direction of the long-distance Station. You will find the Test Center at the crossing to the Squire on the right-hand side.
